REUNION MIAMI - FLA. 1968
THE PRESIDENT'S REPORT

As you can see this is titled the President's Report so since you selected and elected me to fill this high and august office, I wish to thank you. Yes, I would like to thank each and everyone of you who were in Miami and selected me for this job. I would also like to thank you for the part you played in the Miami Convention, and may I add, a very successful one. Bill McDonald, Rocky Roncaglione, Pappy Quinn, Christy Hanks and many others worked very hard. Everything from the Pan American Cocktail Party and Luncheon, the cruise down in the inland waterway to Creighton's Restaurant in Lauderdale and back, our own successful cocktail party and dinner with Mr. Bill Pawley as principle speaker, the show at the hotel, the bull sessions and just the general good fellowship... made this a wonderful get-together.

To all you folks who could not make it, we really missed you. You will notice from the write ups by some of the other folks things that happened and what fun we had. We are looking forward to seeing all of you out in Ojai, July 3rd, 4th and 5th of this year. I am sure you have gotten this information from the Tiger Rag, but do plan to be there. It won't be right without you.

I'd like to give a special thanks to Mr. William Pawley who was our special guest speaker and did a wonderful job, also for his invitation out to his beautiful home in Miami, for a cocktail party, a ride on his luxurious yacht, but most of all for the unusual hospitality he showed us. For those of you who were not with us, he invited us into his home, invited all his family over to meet our group. Many of you know Mr. Pawley was formerly Ambassador Pawley, and I can certainly see why he was... he has that knack. He is now a member of the CNAC Organization and really in all actuality should have been all along because his is one of the founders of CNAC and the Flying Tiger Organization. Bill and his wife and his brothers Ed and Gene and wives will be joining us (we hope) at our Ojai Convention.

We received many letters of congratulations on our reunion, one from Mr. W. J. Driver, Administrator, Veterans Administration and you will notice a copy of this letter in the bulletin. Notes came from Kitty Shilling Howser, Mr. Harold Gray from Pan American Airways, Senator John G. Tower of Texas, Senator Herman Talmadge of Georgia, Ambassador of China Chow-Shu-Kai, and from Anna Chennault and Bob Prescott who were unable to be with us. We missed having each of these persons with us and appreciate their letters.

I want to thank those who contributed pictures, especially Guy Hardin, Tom Sailer, and Bill McDonald, our Editor-in-Chief, who is getting our bulletin out for us.

SPECIAL NOTE:

Mac, How about putting in a late note, like a P.S. . . . .

Just came back from Miami, where I was in Ed Pawley's office and would you believe the plaque we presented him in Miami is hanging in a very prominent place on the middle of his office wall just under Mr. Pawley, President Roosevelt, and Chiang Kai-Shek.

"OLD CHINA HANDS"

Many a yarn was retold over and over again in Miami and I am sure everyone enjoyed the Reunion. It was a complete success due mainly to Robbie. The schedule of events took place not unlike other previous CNAC schedules.

I was mighty happy to see all of the “Gang” but to see Chuck Sharp again made the Reunion a fine thing for me. It was Chuck’s first and I think he realized how much he has been missing at other Reunions.

There were quite a few faces missing - Bondy, Woody, Tweedy and a few others and we are sorry that they couldn’t make it. Maybe next time.

Kirk and Red Holmes and Moss kept everyone in stitches with their stories told on the yacht trip. Some of them were old and SOME NEW. Each year brings out facts that hither-too have been stored for safekeeping.

Our salute to Bill and Edna Pawley and brothers all for making the Reunion much more interesting.

Awards were given to Dr. Reg and Pappy for their finer efforts in organizing and keeping the Group alive. Also Bill Pawley received the first CNAC Award for his contribution to aviation in China.

The real highlight of the Reunion was the banquet speech made by the Honorable William D. Pawley, former Ambassador to Brazil and Peru. His subject was enlightening to many. The history of CNAC and his story of the organization of The Flying Tigers was great and we all enjoyed it.

See you at Ojai in July.

To the Convention of Flying Tigers and CNAC, Miami, Florida

On the occasion of your meeting at Miami I hasten to send you my cordial greetings and best wishes for a successful convention. I avail myself of this opportunity to tell you that we cherish the memory of the achievements and exploits of the Flying Tigers. The contribution of the officers and men of the American Volunteer Group from General Chennault on down merits a glorious chapter in the annals of China's war of resistance to international aggression.

Many of you had also served in the American 14th Air Force in China or assisted us as commercial pilots during the war. In all these capacities your cooperation and comradeship were outstanding and commendable. We are most appreciative of your friendship and continuous interest in us.

Chow Shu-kai
Ambassador of China

China National Aviation Association and Flying Tigers Convention
Carrillon Hotel
Miami Beach, Florida

Dear friend Roberts:

Congratulations to the members of the China National Aviation Association and Flying Tigers upon your reunion at Miami Beach, Florida. This is a momentous occasion.

China National Aviation pioneered flying cargoes from India to China when all land and sea routes were cut off by the Japanese during World War II. The illustrious Flying Tigers held the Japanese back while China National Aviation flew in supplies which were badly needed. I wish to commend all of you on the fine job you have done.

With every good wish for a successful reunion, I am

Sincerely,

Dear Mr. Roberts:

The President of the United States has asked that I extend his personal regards and best wishes to the members of the China National Aviation Association and Flying Tigers as you convene in Miami Beach for your reunion.

The President mentioned the great contributions that you made by your brave and daring actions flying cargoes to harried people behind the Japanese blockade during World War II. Your exploits have become legendary and your actions brought the highest credit not only upon this nation but all free peoples.

I add my best wishes to those of the President for a successful convention.

Sincerely,

MIAMI HIGH-LIGHTS

A good time was had by all those who gathered at the Carillon at Miami Beach on July 26th. Our hosts, the William D. Pawleys, entertained us at their lovely home on Biscayne Bay the first evening, and those who desired enjoyed a moonlight cruise aboard their yacht, Flying Tiger. At dinner that evening, Mr. Pawley regaled us with the story of early days in China. Edna Pawley, who has been on the list of the Ten Best Dressed Women for years, wore a pretty gown of white brocade. We were happy to meet the Ed Pawleys and the Gene Pawleys, who said they would like to join us this summer at Ojai.

We were so happy to see Stella and Monty Monteaux at their first reunion. Monty is now a retired Air Force colonel and Stella is charming and pretty as ever! Good to have Zena Sailer all the way from Tachikawa and our two faithful and favorites, Peggy McDonald and Peggy Watson. Enjoyed meeting pretty Marjorie Farrel, Roy's bride, and found her to be warm and friendly. Dear Esther and Walter Roncaglione were very much in evidence. We have Rockey to thank for arranging the nice yacht trip for us.

Our yacht trip to Fort Lauderdale was a highlight of the reunion. We reminisced all the way there about the good old days in Shanghai, Peiping and Hong Kong. The fashion luncheon at Creighton's was most enjoyable, and the ladies had time for shopping. Emma Jane Hanks came away with a beautiful green chiffon gown and Angela a pink Italian knit.

It was nice to have handsome Mark Watson with us for his first appearance among the juniors. Maria Shrawder seemed to especially appreciate his presence. Another first was the presence of Bud Young down from Ohio. He realized all the fun he had been missing in not attending previously.

Our thanks to stalwart Robbie Roberts for setting up such a nice schedule for us, and to his sweet, petite Lucille, always so well groomed and chic!

I must say we felt the absence of our Tiger friends, but we are looking forward to seeing you (all) at Ojai in July!
