CLARK H.MINOR

March 12th 1945

Dear Mrs. Grinnell:

I want to tell you with what deep sorrow I have learned of the great loss that has come to you and your family.

We were all very proud of Carroll and admired his constant loyalty and bravery in protecting the lives of his associates and other Americans during their period of internment.

We will always think of him as still working for the good of others just beyond the range of human vision.

Please accept my heartfelt sympathy and with affectionate greetings, believe me

Sincerely,

MRS. CARROLL C. GRINNELL Selkirk, N. Y.
